From: City of Inglewood, Planning Division, One West Manchester Boulevard, 4th Floor Inglewood, CA 90301

Subject: Notice of Availability of a Finding of No Significant Impact for the Inglewood Transit Connector Project

The Federal Transit Administration (FTA) in coordination with the City of Inglewood (the City) is proposing to construct the Inglewood Transit Connector Project (proposed Project) to address projected future congestion, improve overall mobility and levels of service, and advance the City's sustainability goals. An Environmental Assessment (EA) was prepared and circulated to the public for review and comment from October 14, 2022 until November 14, 2022. After reviewing the EA and supporting documents, including public comments and responses made thereto, the FTA finds under 23 Code of Federal Regulations 771.121 that the proposed Project with committed mitigation will have no significant adverse impact on the environment. The record provides sufficient evidence and analysis for determining that an Environmental Impact Statement is not required. The FTA also finds, in accordance with Federal Transit Law 49 United States Code 5324(6), that an adequate opportunity to present views was given to all parties with significant economic, social, cultural, or environmental interest, that the preservation and enhancement of the environment and the interest of the community in which the proposed Project is located were considered.

The Finding of No Significant Impact (FONSI) is available at:
<https://envisioninglewood.org/transportation-solutions/itc/>.

A hardcopy of the FONSI may be viewed by appointment at the Inglewood Public Works Department located in Inglewood City Hall at 1 West Manchester Boulevard. Please contact Mr. Louis Atwell at (310) 412-5333 or via email at inglewoodtransitconnector@cityofinglewood.org to make an appointment.

Individuals who require special accommodation (American Sign Language interpreter, accessible seating, documentation in alternate formats, etc.) are requested to contact Mr. Louis Atwell at (310) 412-5333 or via email at inglewoodtransitconnector@cityofinglewood.org.
